COMMISSIONERS REFUSE ONE AP-PLICATION AND DEFER THREE OTHERS.

(From Saturday's Advertisor.)

Twenty-nine licenses were granted. three were deferred and one was refused by the liquor license commissioners who spent all yesterday afternoon in session in the senate chamber In deferring the renewal of the wholesale license to S. Kojima, the commissioners intimated that it had been suggested that the applications made by a Japanese who wished to run a saloen at Waihee. The applications deferred were those of three Orientals, two of whom were recently found by Inspector Fennell to be sell-ing liquor improperly laheled whils the third appears to spend most of his three ing liquor improperly laheled whils the third appears to spend most of his late licenses were renewed.

The commissioners also granted a the children over there of the many courtesies.

Minst Reside Here,

In deferring the renewal of the wholesale license to S. Kojima, the commissioners intimated that it had been suggested that the applicant was not a bona fide resident of Henotalia. They had been given to understand that he proposed to make his home in formation received yesterday, from a government source, however, have been brought about presumably by the retirement of Ambassador Kato from Loudon. The latter is expected back in Japan in July or August although it is doubtful whether his return being liquor remarks.

Mr. Craig teld him that if he found mt that what he had heard was true, as would be the first to vote to reseind

The commissioners strongly impresses The commissioners strongly impressed upon the oriental holders of licenses the necessity of paying attention to the new legislation, compelling them to keep a record of sales. This regulation, as finally adopted, reads: "Every licensee of the first class [which means wholesalers] shall keep a complete record in English of all sales, whether for each or credit. "The license inspector shall have the same access to all books and records of the licensee as is required by the United States internal revenue authorities."

day.

Willard Brown, chairman of the ed that, in their tour around the island.

Mislabeled Whisky.

In the cases of Kwong Chong Lung and Wing Wo Tal, whose applications also were deferred, the board stated that whicky which was mislabeled had been found on their premises by Inspector Foundl. They had samples under specific proof which was marked "for medicinal use" contrary to the ATTORNEY LIGHTFOOT EXPLAINS pure food law.

The Chinese stated that they had obtained this liquor before the pure food law went into effect and they promised that there would be so more mislabel ing. Kwong Chong Lung niso stated that he had stopped soming liquor to

Several of those who applied for renewals of licenses, including the Alexander Young Bullding Co., the Seattle Browing & Malting Co., and the own-ers of the Moana and Scaside hotels were not represented when the commissioners sat yesterday and Chairman Brown remarked that it was peculiar that applicants should not take enough interest to be present.
